Dear Residents and Merchants,

This letter is to inform you that on **Monday March 4th, 2024** and **Tuesday March 5th, 2024** Paramount Pictures will be filming scenes for its upcoming series *Before* on and around Route 46 in Great Meadows, NJ.

**In order to facilitate filming on Monday the 4th, we will be conducting intermittent traffic control (ITC) on Route 46 between Water St. and Cemetery Rd. This ITC will be in effect from approximately 9:00am-2:30pm. The RDJ Service Center, located at 275 Rt 46, will be closed during the traffic control.**

We will have the Independence Police Department on hand to assist with the traffic control on the day. Our production will make every effort to minimize our impact on the neighborhood and to accommodate residents, businesses, and schools while filming. A representative of the Location Department will be on set at all times to ensure that filming goes smoothly.

Please note that we are working closely and with the full cooperation of Independence Town Hall and the Independence Police Department. Your cooperation will help make our shoot a success, and help support the employment of the thousands of New York and New Jersey residents who make their living in the Tri State entertainment industry.

Thank you.
